

Naturists in the OC (NitOC) Membership Policy and Behavior Guidelines

- Members agree to uphold and follow all rules and policies set by the Board of Directors.
- Nudity is the norm, clothing is the exception (weather and biological needs prevail). NitOC is a naturist club, and our goals include assisting people in becoming free of their body phobia and becoming comfortable with their own nudity and that of others.
- Our membership list is confidential to the Board of Directors and the Membership Committee, unless the member agrees otherwise; NitOC will not share any information with any other organizations unless ordered by a court of competent jurisdiction.
- NitOC will use the full names of members unless the member specifically requests otherwise.
- For the protection of our members, guests and visitors, all applicants may be subject to a background check and membership is subject to the approval of the Membership Committee.
- The open, relaxed and inclusive nature of our gatherings is only possible because of the dedication of every member of NitOC. We all have an obligation to watch out for one another and to ensure everyone's safety and comfort.
- Members are responsible for the behavior of their guest. If you invite a guest to one of the NitOC events, please make certain they understand and agree to our guidelines.
- Guests are permitted 3 visits before being requested to join NitOC.
- Parents are responsible for the behavior of their children at all NitOC functions.
- With regard to both guest and children, members are expected to be present with those they invite.
- Simple courtesies mean a lot. It is a universal practice of naturist to always use a towel to sit on while nude, at any event.
- The presence of cameras may be unsettling to those who, because of their profession or other reasons, do not wish to have their photograph taken. When photographing at any function, you must have explicit permission from everyone who is visible in the picture. But remember, images of healthy, family friendly activities and recreations are vital for our educational brochures and newsletters.
- In an effort to safeguard everyone, photographs of children are not permitted at any NitOC functions without the parents being present and the parents' written consent.
- Membership can be terminated at any time upon the decision of the Board of Directors or Membership Committee for any reason and no reason. Refunds will not be allowed.
- Membership in The Naturist Society is encouraged, but not mandatory.
- Use of drugs, narcotics, and illegal substances are strictly prohibited, anyone under the influence will be asked to leave the event.
- Excessive alcohol consumption and/or drunkenness are not acceptable.
- Any abusive language, rude, or crude behavior, overtly sexual behavior or advances of unwelcome or unwanted nature will not be tolerated. No means NO!
- Nude is not lewd, public sexual activity is illegal and undermines our image. Behave responsibly
- Any conduct that is legally criminal will not be tolerated.
- Firearms or weapons of any type are not allowed at any NitOC events.
- These Behavioral Guidelines may be amended at any given time without notice.

I acknowledge the above guidelines and will abide by them as outlined. I also agree to release and hold harmless and indemnify Naturists in the OC, Inc., its Officers, Board of Directors, and Committee members from any and all liability, claims and cause of action arising out of or in any way connected with my participation, or the participation of any minor that I am signing on behalf of, in any events offered by NitOC. I also assume all risk for myself and any minors for whom I sign on their behalf.

NitOC Activities

NitOC participating members may attend our club-sponsored activities for a reduced fee, (enough to cover our expenses). Sorry, we do not admit non-members to activities who are not guests of existing members (unless they are active members of ANNR or TNS) without having them first going through our screening process.

Volunteers Needed!

Any non-profit, volunteer organization such as ours requires lots of help from its members and friends to perform its functions. We do not have a paid staff! If you can help with an event/activity, stuffing envelopes, or making a financial donation, please let us know.

Many thanks!

- I can occasionally help as an event coordinator
- I can occasionally help look for camping or day trip locations
- I am an EMT/Nurse/Doctor who would assist in the event of an emergency.
