I, \_\_\_\_\_, parent or

*minor's name(s)*

hereby authorize NitOC (Naturists in the O.C.) and its representatives, to take and use photographs, videotape and/or other digital images of **my child** taken at NitOC regular and private events for use in the event's photo albums on their Meetup Group website or other promotional or educational materials as follows:

- On their website ([nitoc.org](http://nitoc.org)) or other electronic media they may use in the future
- In flyers, brochures and other printed publications or materials promoting NitOC, The Naturist Society, SCNA or AANR, or naturism in general

I fully understand that these digital and printed images or videos shall be the property of NitOC and should not be published elsewhere without written consent from our Board of Directors.

I acknowledge that NitOC cannot guarantee that images are secure. While only NitOC Meetup members may view the photos, it only takes a user ID plus recognizable photo to become a Meetup member. Currently Meetup has no restriction for these members to download photos.

I agree that my child's name should not be used along with the photo in the image's caption, description or member comments without an additional authorization.

I understand that the use of these images does not entitle me or the minors to any fee or other form of compensation.

I understand that this consent is granted indefinitely till the minor's 18<sup>th</sup> birthday unless revoked by me in writing.
